**NEET UG 2024 SC Hearing Live:** The Supreme Court on July 23 dismissed the plea demanding cancellation and re-test of NEET UG 2024 exam. CJI said there was no data on record to indicate a systemic leak of question paper and other malpractices. Education Minister, meanwhile, has asked NTA to issue a revised merit list, a move that will affect 44 exam toppers who may see their ranks slip by at least 88 position.

The Central Bureau of Investigation Tuesday confirmed before the Supreme Court that the paper leak in the NEET-UG case had occurred in Hazaribagh centre. An officer from the CBI told that some gadgets of the involved gang were burnt, and a few others were recovered yesterday, which will now be investigated.

Further, the CJI on Tuesday said that they have received the IIT Delhi report led by director Prof Banerjee and it says option 4 is the correct answer. He further added that the Court accepts IIT Delhi report and accordingly NTA shall re-tally the NEET UG result on the basis that option 4.
